

Issue 3.4 - 29 August, 2017.

Principal's News

Rebooting TCB - Last week our whole school received training in key aspects of the Reboot Framework. Ryan Lewty, from the Reboot organisation worked with teachers and their students to understand how the human brain works, engage in the key tools for self-regulation, and to create the conditions for a calm learning environment. Teachers are regularly using the five faces to check in with their students, and engaging in discussions about appropriate ways to express emotions and build resilience and learning persistence. Students engaged positively with the sessions and are keen for Ryan to come back!

Year 10 get ready for 2018 - Over the last few weeks, year 10 students have been exploring career pathways and considering a life beyond TCB. On Wednesday 13 September, Simon Rehbein, Deputy Principal at Gympie State High will be spending the day at the school to conduct enrolment interviews and discuss study pathways for our students. Enrolment Packs will be provided to year 10 students early next week, and parents will be invited to book a time on the 13th for an interview. In preparation for this, parents are advised to have original birth certificates available.

Canteen Prices - As advised in an earlier newsletter, a review of canteen pricing has led to some increases in the price of certain food items. Increases have been kept to a minimum, and the canteen remains an inexpensive and convenient option. Please continue to support our school canteen each Tuesday and Thursday. Please refer to the menu included in this newsletter. Prices start next week.

Book Week was celebrated last week with enormous enthusiasm from both students and staff. Reading competitions, quizzes, games and celebrity reading events were held throughout the week, which culminated in a P-6 book character parade on Friday. The hall was filled with Harry Potters, BFGs, Wallys, and Zombalinas, and even the teachers got into the fun by dressing up. Thanks to Mrs Dan and Mrs Turner for highlighting the wonder of reading to our school community.

Student Buddies - This term, Year 1 and Year 6 are getting together twice a week to be reading buddies. Year 1 students are working on building their reading fluency and ability to work with others, while the Year 6 students are modelling responsibility, confidence and getting along. The older students have also been able to demonstrate what a good reader looks like, at the same time as displaying role model behaviour to their Year 1 buddies. All students have engaged enthusiastically and look forward each week to their buddy time.

School News

Secondary School Fees - Our secondary school fees of \$80 are due by the end of this term. These fees are used to off set the cost of Class Photocopying, Printing, Student ID's, School Diaries and materials for students subjects. Families were invoiced in Feb 2017 or a pro rata amount on enrolment. Finalisation of student fees by the end of this Term would be appreciated. Thank you

Premier's Reading Challenge - The Premier's Reading Challenge is now complete and forms are due back to the classroom teacher. Official certificates will be printed and handed out at Assembly later this year.

TCB Tick Awards this Week – as drawn on Assembly 21 & 28 August J. Kear, E. Gray, A. Daniels, A. Bentley, P. Reibel, S. Finch-Ellis, A. Geurts, J. Sweeney, C. Smith, B. Yapp, J. Lee, M. Bligh, K. McAndrew, C. Walker, J. Walker, Z. Riley, E. Toby-Hixon, M. Vosmaer.

NB – Only students with FULL media permission are able to be listed below.

4A	Billie, D. Roche	4/5	C-A Johnson
5A	E. Bryant	5/6	
6A	P. Crowe		

PARTY Program - Recently, the Year 10 Students participated in the P.A.R.T.Y Program (Prevent Alcohol and drug Related Trauma in Youth) at the Gympie Hospital. The day was fun filled and was defiantly an eye opener for the young teens. Students walked in the shoes of an intoxicated person and understood the difficulties of doing simple tasks while intoxicated. Two of our male students, Braden Gray and Lucas Galvin-Ridge even had the opportunity to experience the injuries as a result of a car crash. Braden had a broken arm and Lucas a broken leg. The two young fellas had to complete morning tea activities with these injuries. They both found this quite difficult. The students also had the opportunity to work with various specialists and understand the process they have to go through when someone in a car accident comes through the ER till when they leave. The day was ended with a heart-felt discussion with a gentleman that was in an accident and is now paraplegic. The students walked out with the ability to understand and know the risks of drinking and taking drugs. Written by a student in year 10

Social and Emotional Learning and Reboot - Students and teachers worked through activities with Ryan to feed the Wild Brain and Emotional Brain to be able to access the Smart Brain and be ready for learning.

Students in secondary also worked with Ryan on the 4 quadrants and the Line of Opportunity. We need to be above the line of opportunity in order to achieve to our best. Ask your secondary students about “keeping your power” or “giving your power away”. Reboot is helping students to identify their emotions and take action to remain calm and ready to learn.

WHAT NUMBER ARE YOU?

The Four Quadrants

Mastery Zone	Learning Zone
LINE OF OPPORTUNITY	
Survival Zone	Trying Zone

Child Protection Week 3-9 September, 2017 - During Child Protection Week we will be using the Daniel Morcombe Child Safety Curriculum for Queensland students which aims to develop student knowledge and skills to recognise, react to and report unsafe situations. The Recognise message encourages students to be aware of their surroundings and to recognise warning clues. The React message helps students to consider choices that may keep them safe or help make them safe again as quickly as possible. The Report message encourages students to report unsafe incidents to an adult. You are encouraged to talk to your children about these messages and promote discussion about safety in all aspects of their lives.

Protecting **children** is
EVERYBODY'S
BUSINESS

If you have any concerns about your child's safety you can contact **Support Services for children, young people and parents:**

P & C News

Seafood Festival: 23 September - The P & C are holding a stall at the Festival and would appreciate some help. If you can spare an hour or two to help sell cakes, slime etc it would be great. Also we are looking for donations of cakes/slices. These need to be labelled with the ingredients and can be dropped at the stall on the day or at Tin Can Bay Fruit Shop on Fri 22 Sept.

Plant stall - The P & C are currently seeking donations of any empty pots that you may have or know someone that does. Please bring them to school.

Garage Sale Trail - Saturday 21 October. Start gathering your unwanted goods to bring along. More info later.

NEW TUCKSHOP MENU AND PRICES START NEXT WEEK

Father's Day Raffle - Great prizes to be won in the Father's Day Raffle – tickets \$2 each or 3 for \$5 available from Tuckshop, School Gate or Cooloola Coast Tyre, Brake & Automotive. 1st Prize – Karcher K2 Telescopic Pressure Washer, 2nd Prize – Wheel Alignment, Rotation and Balance, 3rd Prize – Caravaning and 4x4 DVDs and Raiders NRL Cooler with Jim Beam Drinking Glasses. On behalf of the P & C we would like to thank Mitre 10 Cooloola, Cooloola Coast Tyre Break & Automotive, Ange at the Cove News and Whatever QLD for their donations for the Father's Day Raffle. Thank you also to everyone who helped by purchasing tickets. Stay tuned for the winners announcements and other P & C events. All funds raised go towards resources for our school.

Chaplaincy News

Consistency - continued from last newsletter.

1. **Focus on priority behaviours.** It's difficult to be consistent with every single misbehaviour, but it's easy to focus on one or two. When you are consistent with one or two priority behaviours it has a positive impact on other behaviours.
2. **Give yourself a tangible reminder** about the behaviour you want to follow up. Leave a note somewhere telling yourself that you need to "Walk away when a child whines. Don't give in." Or "Catch your kids doing the right thing when they resolve a problem without arguing."
3. **Check your routines.** Make sure you have simple routines for troublesome times of the day such as bedtime or mealtimes.
4. **Act** rather than overtalk or repeat yourself when kids misbehave. Sometimes it's really inconvenient to set a consequence, as you may have to battle a tantrum that follows. But the stand-firm approach pays off in the long-term as kids learn eventually that you mean what you say, and say what you mean. That's what firm, consistent discipline requires.

GRANDPARENTS' DAY – Tuesday 31 October - National Grandparents Day is on Sunday 29 October this year and the school would like to celebrate grandparents and thank them for their important role in our families on the morning of Tuesday 31 October. The theme for the morning will be "I Grow in Grandad's Garden" which is taken from a book written by Queensland author Brian Andrew. The book follows Brian and his granddaughter on a journey through Brian's garden where there are 4 special places - a think and thank seat, a let go log, cross over bridge and a dream table which teach children about the values of gratitude, forgiveness, courage and generosity. I am hoping that classes will put together a display based on the book to show grandparents and other visitors. Students will be serving morning tea in the garden and taking visitors on guided tours. We will be giving further details closer to the date and asking for RSVP's to give us an idea of how many to cater for.

If you have any queries about Grandparents' Day, please email Chappy Ronnie at ronniet@chappy.org.au

Community News

USC Open Day - Tuesday, 12 September 4-6.30 pm USC Sunshine Coast. For parents and high school students in Year 10. Informative sessions to help students navigate their way through to University. Students and parents can also attend a Headstart information session which is USC's transition program for Year 11 and 12 students to study USC courses while still completing high school. Headstart is a great opportunity for students to get a taste of University and gain credit towards their future degree.
