Investing for Success

Under this agreement for 2016
Tin Can Bay State School will receive

$255,796*

This funding will be used to
To achieve the following targets:
- Student average attendance rate will be > 91%.
- Student attendance - the percentage of students attending less than 85% of the time, will be < 20%.
- Improve student engagement in learning.
- The percentage of students gaining a C rating or better will be > 70% in English, Mathematics and Science.
- Greater than 95% of students in Year 3 and greater than 90% of students in Years 5, 7 and 9 will attain the National Mean Scale Score in at least three quarters of the NAPLAN strands across Years 3 to 9.

Our initiatives include
- Implement a coordinated approach to improve attendance.
- Implement a targeted approach to Literacy and Numeracy including:
  - Implementation of a whole school reading program with targeted teacher development
  - Implement a targeted reading intervention program.
- Developing teacher capacity to analyse performance data about student learning and differentiate learning and curriculum to cater to student learning needs.
- Enhance teacher capacity and effectiveness through the further implementation of the Art and Science of Teaching.

Our school will improve student outcomes by
- Employment of expert teachers for the provision of behaviour and curriculum support $175,000
- Professional release time to support peer coaching and professional development $30,000
- Employment of a School Attendance Liaison Officer $20,000
- Development and provision of support programs to improve student engagement and attendance $30,796
